

Next Step

How Visitors Connect with St. Mark!

Next Step is a series of three lively discussion sessions to help visitors and new members learn about the church and how to get involved. We discuss What is Church & Church Membership? What is Presbyterian? And What is St. Mark? Participants can tour the campus, meet staff and lay leaders, connect with other visitors and members, and ask questions about St. Mark's mission, ministries and programs.

Next Step is a great way to find deeper fellowship and growth here at St. Mark.
