

Nursery Protocol Update for July—September 6th, 2020

St. Mark's nursery in Room 106 of the Family Life Center has had all the toys and equipment sanitized and disinfected according to the regulations in light of COVID-19. We routinely implement these standards and have added the additional recommendations.

The nursery in Room 106 of the Family Life Center is open as follows:

- 1) Only children will be admitted at the door to Room 106 after having a touchless temperature check.
- 2) Please send a change of clothes.
- 3) All snacks and drinks will be individually provided.
- 4) Sign-in and out will occur at door to Room 106.
- 5) All facilities used by staff and children will be properly sanitized.
- 6) Sunday nursery hours are 9:30am—11:30am.
