

## **Nursery Protocol Update as of March 14, 2021**

St. Mark's nursery has returned to the Children's Ministry Building. All toys and equipment are sanitized and disinfected according to COVID-19 safety guidelines. We routinely implement these standards and have added the additional recommendations:

- Sunday nursery hours are 9:45am—11:30am.
- Sign-in and out will occur at the front door of the Children's Ministry Building.
- Only children will be admitted after a touchless temperature check.
- Please send a change of clothes.
- Please provide any snacks and drinks.
- Sunday school will be taught during the 10am worship hour.
- All facilities used by staff and children will be properly sanitized.

Please contact Nursery Coordinator Marilyn Bonaguro with questions (210.857.3157).
