

# Thanksgiving Food Drive

We are teaming up to help share God's love this Thanksgiving! Hill Country Daily Bread Ministries provides a cook-at-home Thanksgiving meal for each family they serve but they can't do it without your help. We are providing the cranberry sauce. Please donate cans of cranberry sauce (any kind) and drop them off in the collection box in the Narthex. We will be collecting cans until Thursday November 4.

Thank you from your Outreach Ministry
